## **BROADCASTING VOLUNTEERS NEEDED**

We are looking for volunteers to help us keep the broadcasts of Ram's Volleyball and Basketball up and running. You don't have to commit to every game, but we do need your help.

No experience is necessary, and we will train you for the positions you are interested in learning about. Ideally, for each game, we would have five camera operators (one of these operates two robotic cameras,) a technical director, graphics, audio, and replay operator.

If you are interested, please reach out to Harold White at [hwhite@cimarronschools.org](mailto:hwhite@cimarronschools.org) for more information and to answer your questions.

## **MENTAL HEALTH RESOURCE FOR FAMILIES:**

Cimarron Municipal Schools is providing a new mental wellness resource for parents:

If you miss the virtual event, you can still check out <https://ParentGuidance.org> (link is also found at the bottom of our website) where you can access on-demand virtual courses, professional support, and a safe community for parents to learn how to support their children and get answers to mental health questions. There are courses on anxiety, depression, self-worth, grief and loss, suicidal ideation and other mental health concerns. All courses are created by therapists, psychiatrists, psychologists and other certified mental health practitioners. There is even a portal where you can "Ask a Therapist" your tough questions, as well as see questions and answers from other parents. The Cook Center for Human Connection has made these resources available to help increase hope in a time of continuing uncertainty and growing mental health concern. There are good people in your community working to provide solutions and help for those who are struggling. If you or anyone you know is in a mental health emergency, reach out immediately to the suicide prevention lifeline here: 1-800-273-TALK (8255) or text HOME to 741741.

## **ATTENDANCE**

Please remember that we do have an attendance policy at CHS and CEMS. Your child's attendance is critical to their learning...if they aren't there to receive their instruction, then it makes it much harder to learn the concepts and complete the assignments. If your child is going to be absent, the parent/guardian must call the school office by 9:00 am on the day of their absence to report it and the reason for the absence so that the secretary can inform teachers and mark their attendance accordingly.

**Check out the district website, [www.cimarronschools.org](http://www.cimarronschools.org), for school and district information, the monthly newsletter, and much more! You can also find great things on our "Cimarron Municipal Schools, NM" district facebook page.**

**If you, or your organization, have any announcements, events, etc. to be included in our monthly newsletters, please email it to [jmartinez@cimarronschools.org](mailto:jmartinez@cimarronschools.org) by the 3<sup>rd</sup> Friday of the month, in order for it to go out on the next month's newsletter. If you would like a hard copy of our newsletter sent home with your child (or mailed to you) instead of receiving it via email or the website, please email Jody Martinez at the email address above.**
